

General Fees for Pediatric and Adolescent Medicine

2018 (Revised 07.25.2018)

1. We collect copayments and balances due for all visits when you check in, and this is based on the contractual agreement between you and your insurance health plan. We accept cash, check, Visa, MasterCard and Discover Card.
2. When appointments are missed because you and/or your child don't show up, it leaves an opening that might have been filled with another patient. Because of this, we reserve the option to charge a fee for **NO-SHOWS** for all types of visits. *This fee is not covered by your insurance.*
3. We charge for the following services that are *not covered* by your insurance:
 - Repeated requests for transfer of medical records from doctor to doctor as well as copies of records sent to parent(s) for personal use-\$25 flat rate for a multi-page PDF or a CDR. Paper copies can be requested for an additional \$0.25 per page.
 - Completion of the following forms (**if the form is presented to the office later than two weeks after the Physical Exam**): Camp Physicals, Sports Physicals, College Entrance Physicals/Proof of Immunization and/or TB status, and other Miscellaneous Documents-\$25
 - Medication administration form for school or camp (1 page, only)-\$20
 - Completion of FMLA, IHSS and other government forms-\$30
 - Returned check charge-\$30 per check
