Pediatric and Adolescent Medicine

Dear Parents,

If you are receiving this letter, your insurance is an HMO product serviced through Greater Newport Physicians. Greater Newport Physicians has terminated all pediatrician contracts effective 12/31/24 in order to increase its profits. The purpose of this letter is to explain your options to continue receiving care at our office in 2025 and beyond.

1. Switch to PPO during open enrollment. I am fully contracted with virtually all commercial PPO contracts.
- 2a. In December, change your Primary Care Provider (PCP) to Dr. Alyse Baron, or Dr. Bette Carlson for a January 1 start date. Both are with Hoag Physician Partners (HPP) and will render excellent care at our office. I will not be able to see your child.
- 2b. Switch back to me as your Primary Care Provider when (if) I become credentialed with HPP. The office will notify you as soon as this option is available.

I am very sorry that you must weigh these difficult options.

Sincerely,

Jeff Taylor, MD
